DESIGN PORTFOLIO • 2026

Spaces shaped around the way you live.

A considered approach to architecture and interiors, balancing visual clarity with everyday comfort.

01

ARCHITECTURE

Strong forms, considered proportions and material palettes that give each building a distinct identity.

02

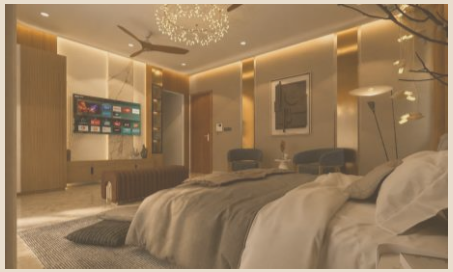
INTERIORS

Layered textures, warm lighting and purposeful layouts designed to feel both refined and inviting.

03

DETAIL

From the first composition to the finishing touches, every decision contributes to a cohesive whole.



Classic Contemporary

A more traditional architectural language, reinterpreted
With clean detailing and a restrained lighting scheme.

DESIGN NOTES

- Framed balcony compositions
- White classical mouldings and cornices
- Integrated warm architectural lighting
- Greenery woven into the facade

A Modern Icon in Warm Light

A striking contemporary residence defined by a sculptural frame, layered balconies and a refined palette of stone, timber and glass. Integrated lighting and lush planting give the façade a warm, distinctive presence after dark.

DESIGN NOTES

- Sculptural frame with clean geometric lines
- Timber screens and glass balcony railings
- Layered architectural and façade lighting
- Landscaped entry with bespoke signage

A Contemporary Classical Style

Traditional architectural elements reinterpreted through modern design. It’s refined expression of architectural detailing and proportion

DESIGN NOTES

- Modern Classic Style – Combines contemporary forms with classical detailing.
- Arched Features – Adds elegance and creates a distinctive façade identity.
- Ivory Stone Finish – Provides a clean, sophisticated, and timeless appearance.

A Statement in Brick & Stone

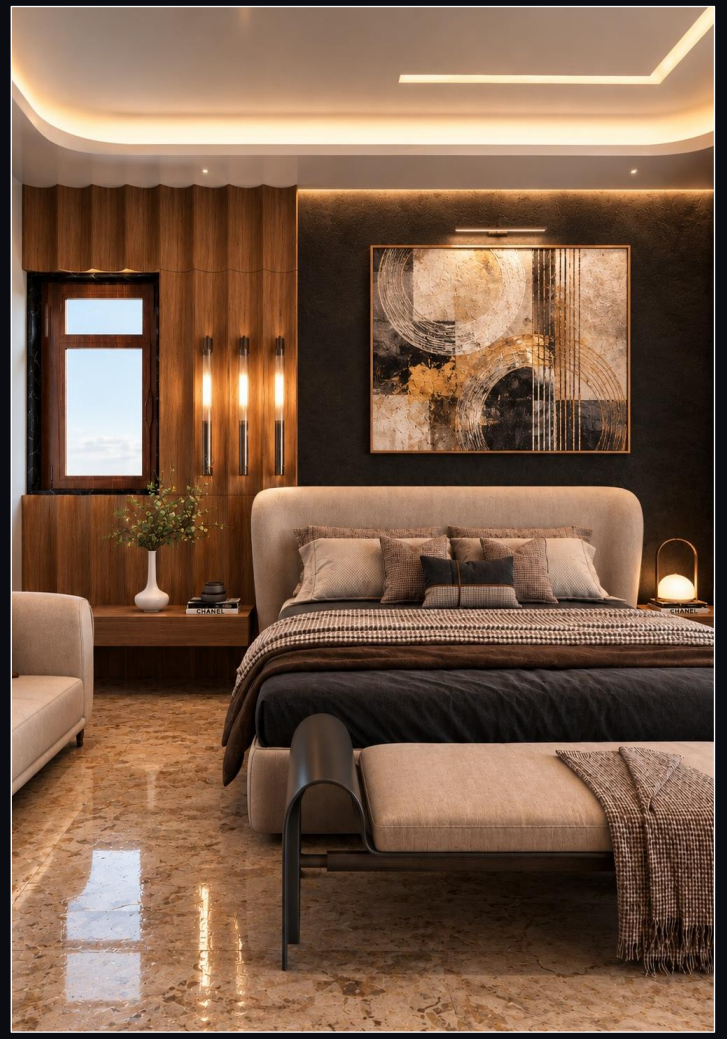
A refined urban residence combining classic architectural detailing with contemporary comfort. Textured brickwork, crisp white mouldings and warm architectural lighting create a confident street presence.

DESIGN NOTES

- Classic façade with layered cornices
- Private balconies with glass railings
- Warm integrated architectural lighting
- Secure, discreet ground-floor parking

Suite for Slow Living

An intimate bedroom-lounge concept balancing plush fabrics with warm wood and subtle metallic accents. Thoughtful lighting and a calm, layered palette create a private retreat with hotel-like ease.

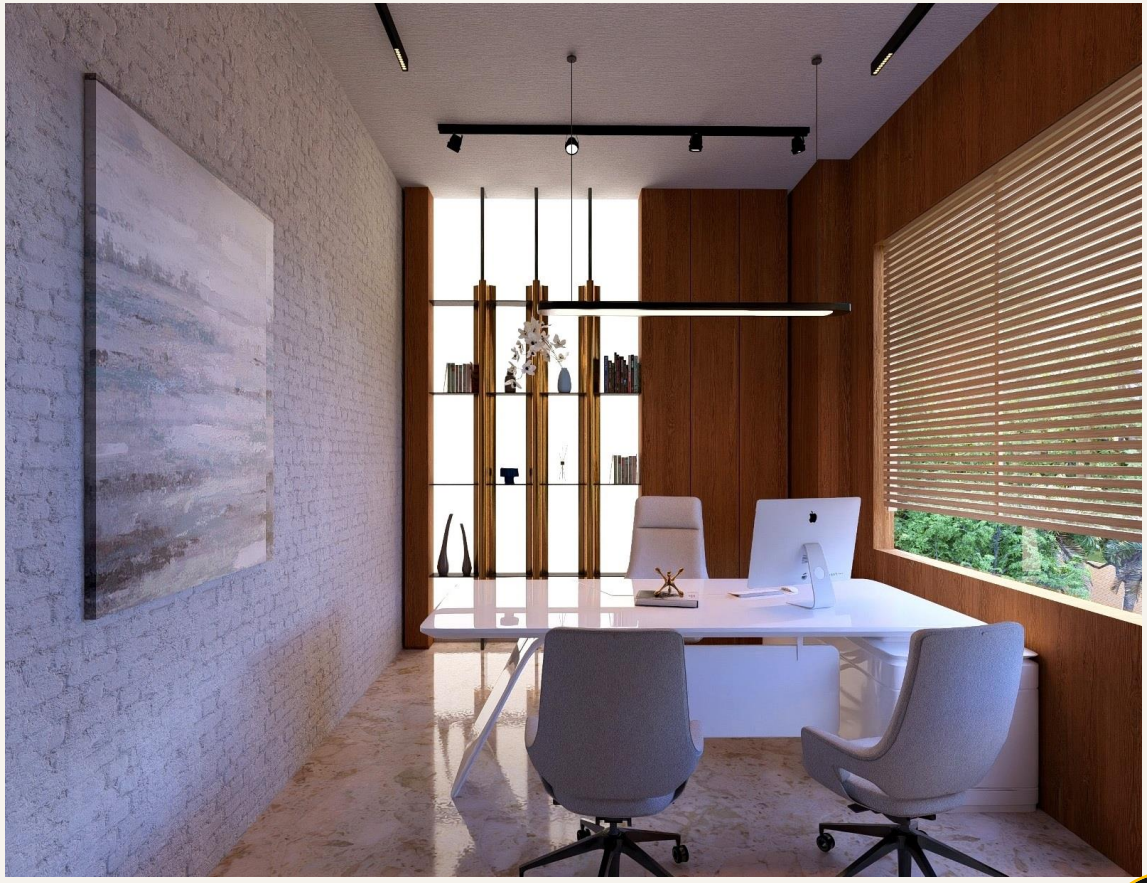


DESIGN NOTES

- Soft, layered bedding and upholstery
- Warm timber and vertical detailing
- Statement chandelier and ambient lighting
- Relaxed lounge seating within the suite

A refined, warm-toned workspace

A calm executive office with natural textures, sculptural furniture and carefully layered lighting.

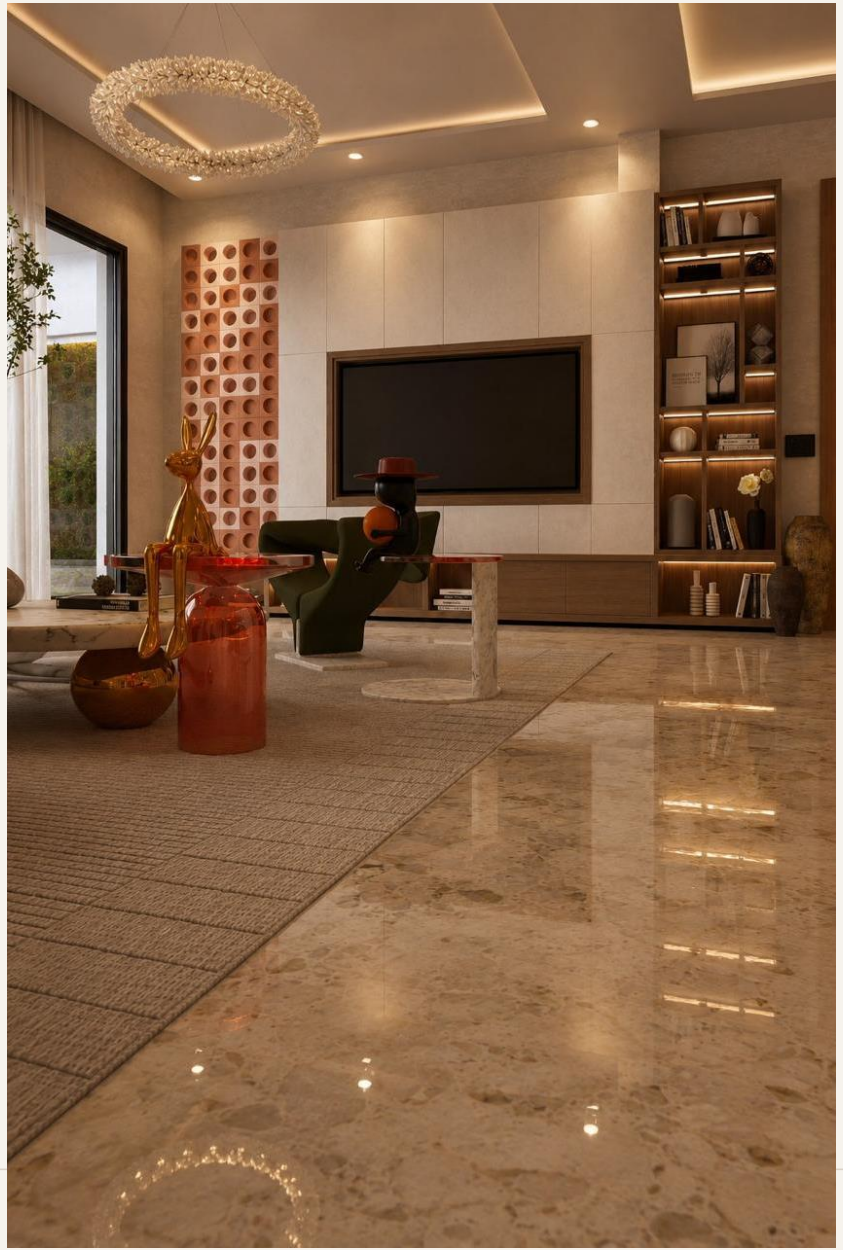


MATERIAL PALETTE

Walnut • brass • ivory • soft grey

LIGHT & LAYERING

Filtered daylight and focused task lighting



SELECTED INTERIOR / 03

Soft Luxury, Natural Layers

A welcoming living space built around tactile finishes, rounded silhouettes and a warm neutral base.

KEY ELEMENTS

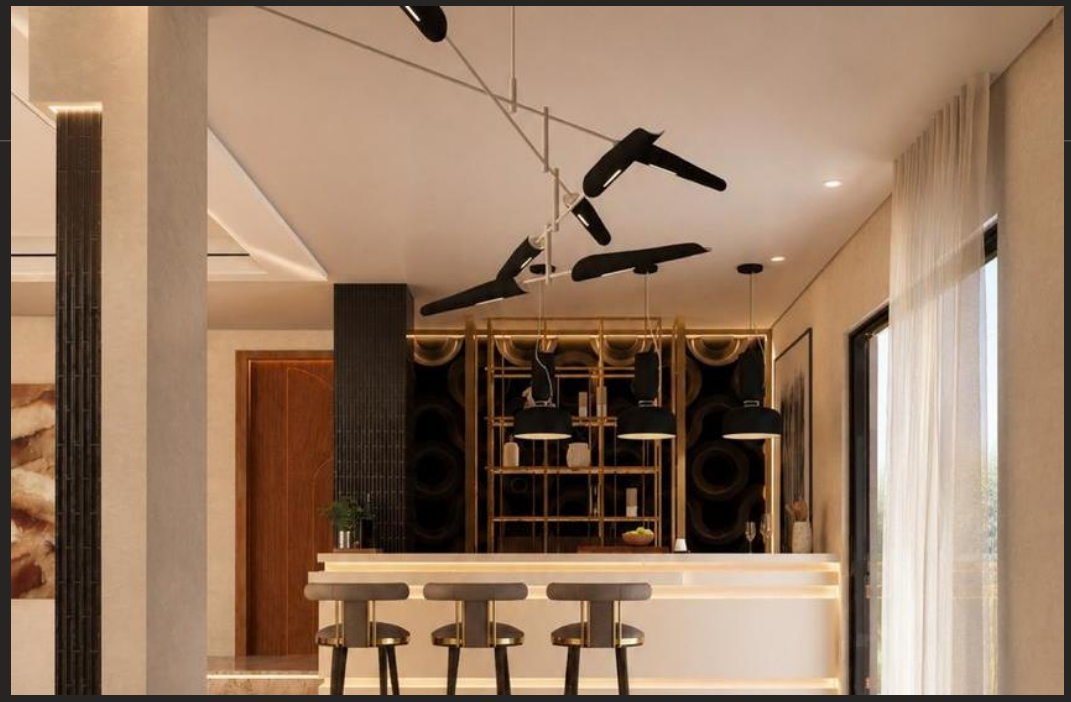
- Sculptural seating
- Stone-look feature wall
- Warm cove lighting
- Muted green and beige accents

The Art of Entertaining

A contemporary lounge and bar space designed for relaxed hosting. A luminous bar, sculptural seating and a dramatic dark display backdrop are softened by natural daylight, warm finishes and considered decorative lighting.

DESIGN NOTES

- Statement illuminated bar counter
- Dark feature shelving with metallic detailing
- Low, sculptural lounge seating
- Daylight softened by full-height curtains



An Arched Sanctuary

A serene bedroom composed around a dramatic arched feature wall and expressive artwork. Soft taupe upholstery, warm wood and subtle metallic accents create a timeless balance of comfort and architectural detail.

A Retreat in Deep Neutrals

A restful bedroom concept using layered dark finishes, soft upholstery and a linear fireplace feature to create a cocooning atmosphere.

Soft Forms, Natural Calm

A contemporary living room built around rounded silhouettes, creamy neutrals and natural textures. Sculptural seating, greenery and concealed ceiling lighting make the space feel open, calm and effortlessly elegant.

DESIGN NOTES

- Curved, contemporary furniture forms
- Neutral palette with warm timber accents
- Concealed cove lighting and ceiling fan
- Layered rugs, greenery and display niches

Kids Bedroom

An intimate social setting shaped by rich upholstery, sculptural lighting and a darker, enveloping palette.

DESIGN NOTES

- Statement ceiling feature
- Deep timber and bronze accents
- Comfortable seating arrangement
- Ambient light for an evening mood

A Living Gallery of Greens (LEAF & DEW)

A contemporary atrium conceived as a calm, immersive gallery. Warm terracotta finishes, generous glazing and a sculptural central pavilion bring a welcoming rhythm to the space, while integrated lighting guides the visitor through the interior.

DESIGN NOTES

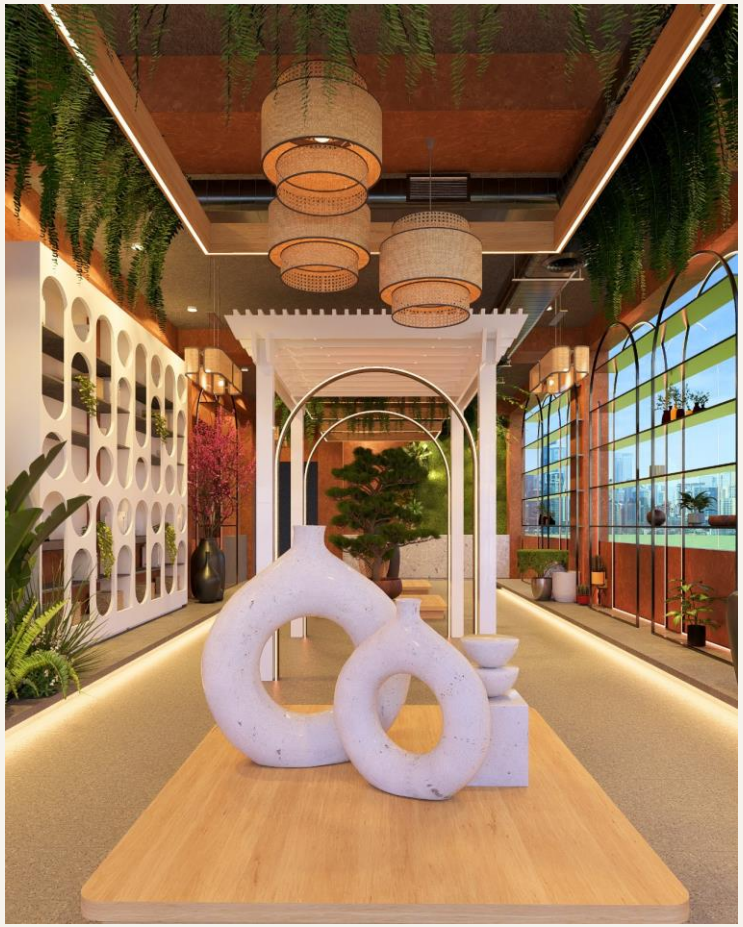
- Open, gallery-like circulation
- Warm terracotta and timber palette
- Sculptural white pavilion and arches
- Integrated floor-level linear lighting

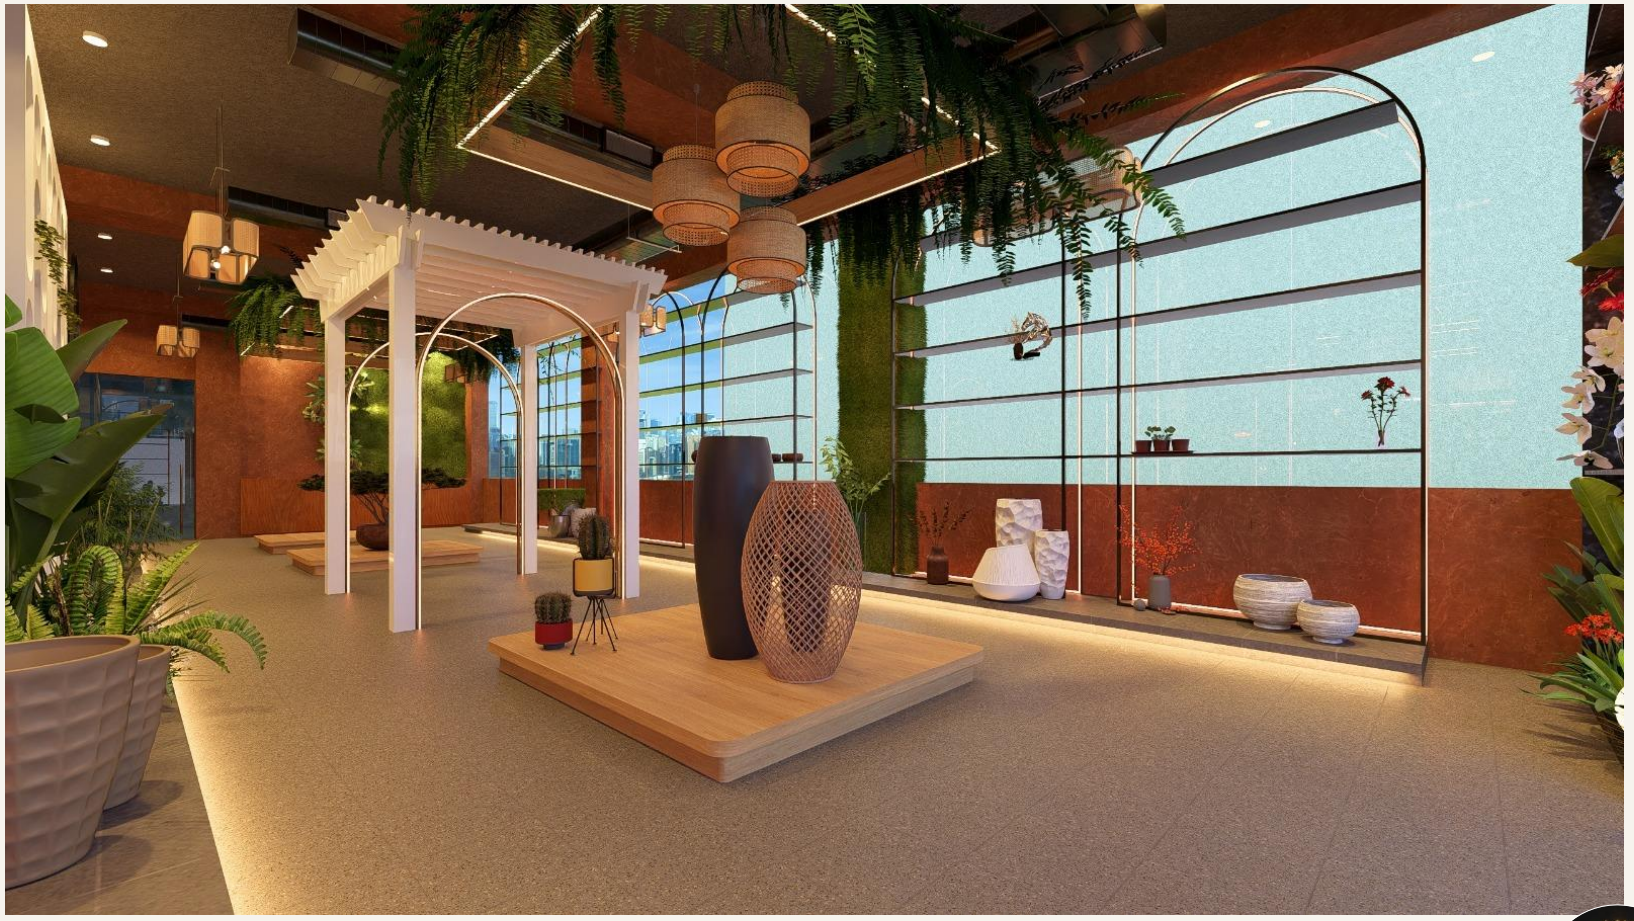
THE DESIGN CONCEPT

THE FINAL OUTCOME

A refined, warm-toned workspace

A calm executive office with natural textures, sculptural furniture and carefully layered lighting.





A space with its own identity.

Branding, display shelving and warm backlighting create a memorable focal point while keeping the overall atmosphere intimate.

DESIGN INTENT

Distinctive • tactile • atmospheric
